Health Equity and the DPP: *An Introduction*

Thursday, February 27th @ 1:00-2:30pm ET

>> Learn more and register here!

In this introductory webinar on health equity, Lifestyle Coaches will learn the foundation for inequities that exist in diabetes, what contributes to these inequities, and potential problems that individual participants are facing on their journey toward a healthy lifestyle. Resources for understanding health equity in communities as well as practices for implementing and delivering a National DPP program that is inclusive for all will be discussed.
